
Sisters and Brothers,

Now it is our turn. Circle the date. Reserve the time.

On **Wednesday July 20th** your Bargaining Committee will be holding a very important Telephone Town Hall to provide key details on current negotiations.

It is of such importance; we will be holding TWO calls on that date.

The first call is scheduled for **12NOON (Atlantic DT) / 1230PM (Newfoundland DT)**

The second call will be at **7PM (ADT) / 730PM (NDT)**

Here's what we have to do...

The Bargaining Committee will call all members' phone numbers on file. If you answer on the first scheduled call, you won't be called on the second call. Those members who couldn't join in the afternoon will get a call in the evening.

All you have to do is answer the phone.

What we will obtain on this call are the major points of discussion, a deeper understanding of the issues at play, and importantly, the ability to ask our Bargaining team questions. This call will be 1 hour.

Further to this, there is likely to be a reminder call on Monday July 18th with a pre-recorded message...this will help the Committee identify legitimate numbers on file. If you don't get a test call - let us know!

For those of you who already sent the Mobilization Committee your contact number- a BIG thank you! If you haven't yet, please forward to:

- NL: mcompton@unifor410.ca NB: unionoffice@unifor506.ca
- NS: faith.chaisson@unifor2289.ca PE: matthewhennessy@gmail.com

Participation is crucial to gain a clear grasp of where we are and where we are going.

We are all looking forward to a high level of engagement. When we are engaged, we gain strength.

Please let us know if there are any questions/concerns regarding this Telephone Town Hall.

In Solidarity

Your UACL Mobilization Committee
